2022 Steamboat, CO Ski Trip Information
February 26 to March 5, 2022

The details of the Steamboat 2022 ski trip are now finalized. The trip will be for 7 nights lodging at The Ranch condos, 5 day lift tickets, and round trip air transportation between Chicago O'Hare airport and Hayden, CO airport. We have contracted for a maximum number of 24 people with 4 people in each 2 bed/2 bath condo.

If you are using an IKON pass for lift tickets, your pass will be counted toward the minimum number of lift tickets needed to receive the group rates quoted in the price of the trip. Steamboat does not honor the EPIC pass.

The round trip ground transportation between the airport in Hayden and the Ranch lodging will not be included in the base price of the trip. A shuttle bus will be available to and from the Steamboat lodging at a total price of \$68.00 per person. This will need to be paid by each person when boarding the bus at the airport. This cost is substantially less for everyone rather than pay what we would have to guarantee if we contracted for a Charter Bus.

Trip Cost:

Round trip Air, 7 nights lodging, and a 5 day lift ticket=\$1,828.00

Round trip Ground Transportation= \$68.00 (paid by each person at the Hayden, CO Airport)

Total Trip Cost= \$1,896.00

We need to know who are planning on going on this trip. We need a minimum of 20, and maximum of 24 people for this trip to meet the trip contract requirements.

Please respond indicating your plans for the Steamboat trip as soon as possible for our planning purposes.

2022 Devil's Head Annual Wisconsin Ski Trip Information

Due to the Covid-19 pandemic, the Snowseekers Ski Club trip committee decided not to sponsor the Wisconsin Devil's Head 1/8-1/10/2021 weekend ski trip. We are hopeful that we can again sponsor the Devil's Head annual ski weekend on January 7-9, 2022. As soon as we receive the final details of the January 2022 trip, we will keep you posted about the Devil's Head, Wisconsin trip information.

We hope you all stay well and safe. Let's hope for a much better rest of 2021 and beyond. We look forward to your interest in the Snowseekers ski trips for 2022.
